BUSINESS CONTINUITY SEATING

ANDOVER (AND)

tierpoint

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

Perfect Proximity

The TierPoint Andover data center is strategically located for easy access from the Boston Financial District and major cities in New Hampshire and Rhode Island. Located 25 miles North of Boston at the intersection of I-93 and River Road, the building is in a well-established corporate neighborhood.

Minimized Risk

The Andover data center is located outside the 100-year flood zone and is audited under SSAE 18 SOC 2 Type II, PCI-DSS, GLBA and HIPAA standards annually and are ITAR and EU-US Privacy Shield registered, making it a secure location for business continuity seating.
