

BUSINESS CONTINUITY SEATING

Omaha - Bellevue (BEL)

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

Perfect Proximity

The TierPoint Bellevue data center is located within 5 minutes of the downtown business district and no more than 20 minutes from almost every other suburb or town. The property was once a mall and has hundreds of parking spaces available making access easy and convenient.

Minimized Risk

The Bellevue data center is located outside the 500-year flood plain, in Seismic zone 1, accesses dual water sources and power grids, and includes underground utility delivery of power, water and telecom services. Our facility includes 10,000 square feet of business continuity workspace with 300-seats of recovery space.

Workspaces available with:

- 4x3 cubicles with dual monitors
- Cisco IP phones
- Secured storage area and shared printers
- Dedicated suites and offices
- Custom suites available
- Access to TierPoint common areas including conference and training rooms
- Remote tech support
- Ample parking, HVAC heating/cooling

Network Connectivity:

- 10GB uplink connections between switches and firewalls
- 1GB connectivity to all desktops
- Redundant firewall

Security:

- Monitored facility 24x7x365
- Dual authentication to enter critical areas
- Video surveillance with 90-day retention
- Perimeter facility doors monitored by 3rd party

Omaha - Bellevue (BEL) - 1001 North Fort Crook Road, Bellevue, NE 68005
