

## BUSINESS CONTINUITY SEATING

# JACKSONVILLE (JAX)

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

### Perfect Proximity

The Jacksonville data center is in Duval County, 11 miles south of downtown Jacksonville and roughly 18 miles west of Ponte Vedra Beach. Our facility offers access to several major highways and parkways with neighboring towns and cities that house numerous options for dining, lodging, recreation and entertainment.

### Minimized Risk

Our Jacksonville facility is located outside the 500-year flood zone and outside the 12-mile blast radius making it a secure location for business continuity seating. Our facility includes over 11,000 square feet of business continuity workspace with over 18,000 square feet of build to suit workspace.
