

BUSINESS CONTINUITY SEATING

KANSAS CITY (KCM)

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

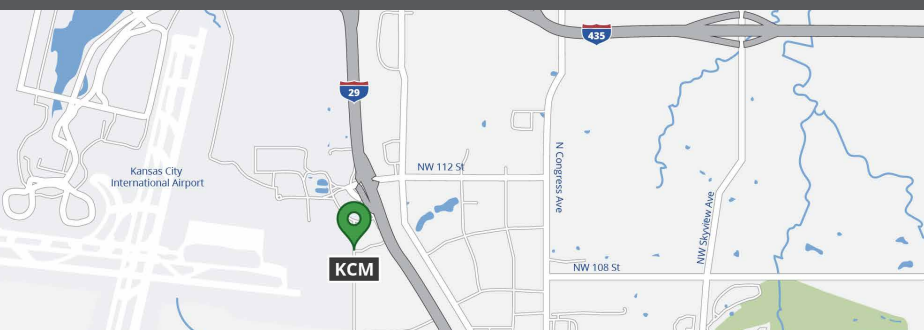

Perfect Proximity

Our Kansas City, Missouri data center facility is one of two state-of-the-art TierPoint facilities located in the Kansas City metro area. It is strategically located for easy access less than five miles from the Kansas City International airport.

Minimized Risk

Our Kansas City, Missouri data center facility is located outside the 500-year flood zone making it a secure location for business continuity seating. Our facility includes over 13,000 square feet of business continuity workspace.
