

BUSINESS CONTINUITY SEATING

MARLBOROUGH (MRL)

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

Perfect Proximity

The TierPoint Marlborough data center is strategically located for easy access from the Boston Financial District, and major cities in New Hampshire and Rhode Island. Located 30 miles West of Boston off I-495 and close to I-90, the building is in a well-established corporate neighborhood.

Minimized Risk

The Marlborough data center is located outside the 100-year flood zone and outside the 12-mile blast radius, making it a secure location for business continuity seating. Our facility includes over 20,000 square feet of business continuity workspace.
