

BUSINESS CONTINUITY SEATING

Seattle (SEA)

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

Perfect Proximity

TierPoint's Seattle data center facility is located in the heart of the business district in downtown Seattle, and less than a 25-minute drive from the Seattle-Tacoma International Airport.

Minimized Risk

Our Seattle data center is built to meet Seismic zone 3 essential facility standards and is audited under SSAE 18 SOC 2 Type II, PCI-DSS*, GLBA and HIPAA standards annually and are ITAR and EU-US Privacy Shield registered, making it a secure location for business continuity seating.

Workspaces Available with:

- Custom suites, build to suit
- Fully customizable including space, furniture and Internet connectivity
- Access to multiple conference rooms with Internet and phones
- Shared breakroom access and shower facilities
- Backup generated power for all lights, HVAC and outlets
