

BUSINESS CONTINUITY SEATING

SIoux FALLS EAST (SFE)

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

Perfect Proximity

The Sioux Falls East data center facility, one of eight TierPoint facilities located in the Midwest, is strategically located for easy access from the Sioux Falls Regional Airport and two major interstates, I-90 and I-29.

Minimized Risk

Our Sioux Falls East data center is located 1,473 feet above sea level and outside the 500-year flood zone. It's audited under SSAE 18 SOC 2 Type II, PCI-DSS*, GLBA, and HIPAA standards annually and is ITAR and EU-US Privacy Shield registered, making it a secure location for business continuity seating. Our facility includes over 5,000 square feet of business continuity workspace.
