BUSINESS CONTINUITY SEATING

TULSA-ARCHER (TUL)

tierpoint

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

Perfect Proximity

The TierPoint Tulsa-Archer data center facility is conveniently located in downtown Tulsa and within close proximity to Oklahoma City, Texas, and Arkansas areas offering geographically diverse business continuity seating services.

Minimized Risk

Located in the historic Brady district north of downtown, TierPoint's Tulsa data center is the largest carrier-neutral telecommunications space in the area. Our facility is located 722 feet above sea level, and outside the 500-year flood zone making it a secure location for business continuity seating. Our facility includes over 14,000 square feet of business continuity workspace.

Workspaces Available with:

- Custom suites, build to suit
- Fully customizable including space, furniture, power and Internet connectivity
- Internet connectivity
- Access to conference rooms, shared breakrooms, and shower facilities
- Facility is supplied with generator power in the event of grid failure; option for clients to UPS for added resiliency
- Remote Hands 24x7 tech support

Network Connectivity:

- Carrier-class, carrier-neutral facility
- Multiple, diverse fiber feeds
- BGP4 routing
- TierPoint-provided, redundant IP bandwidth available with 100Gb connectivity
- Redundant dark fiber connections to the facility

Security:

- 24x7x365 electronic and physical security
- Two-factor authentication, including the use of biometric scanners
- CCTV surveillance, with a minimum of 90 days of retention

Tulsa - Archer (TUL) - 322 E. Archer Street, Tulsa, OK 74120
