BUSINESS CONTINUITY SEATING

VALLEY FORGE (VFO)

tierpoint

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

Perfect Proximity

The Valley Forge data center is located 30 miles from Center City Philadelphia with convenient access to mass transit and major highway junctions to facilitate rapid deployment of personnel.

Minimized Risk

Our Valley Forge data center is outfitted with 2N power distribution systems to provide diversified power. With redundant fiber infrastructure that delivers survivability against outside utility disruption, our facility includes over 24,000 sq. ft of business continuity seating to keep your business teams up and running.

Workspaces Available with:

- Desk, PC, chair, phone and dual monitors
- Each seat has access to 4x120v electrical outlets by default plus 2x network drops by default
- Internet and Wi-Fi access
- Dedicated storage, conference space and break area
- Ample parking, HVAC heating/cooling
- Remote tech support

Network Connectivity:

- Carrier-class, carrier-neutral facility
- Managed dark fiber, high-speed fiber optic network lining facility
- Multiple, diverse fiber feeds
- Redundant network connectivity for voice and data

Security:

- 24x7x365 on-site personnel
- Dual factor, biometric access controls
- Closed circuit video surveillance

Valley Forge (VFO) - 1000 Adams Avenue, Norristown, PA 19403
