

## BUSINESS CONTINUITY SEATING

# WATERBURY (WAT)

TierPoint's Business Continuity Seating provides your employees with a resilient office space for offsite business recovery, keeping you up and running when disaster strikes.

### Perfect Proximity

Our Waterbury data center facility is strategically located approximately 30 miles outside of Hartford, with easy access to highways, and a short walk to the Metro North Train Station with connections to Grand Central, New York City.

### Minimized Risk

TierPoint's Waterbury-Greater Hartford data center is situated safely away from major population centers and flood zones while remaining accessible to our customers in the heart of the I-84 corridor. This facility is audited under SSAE 18 SOC 2 Type II, PCI-DSS\*, GLBA and HIPAA standards annually, as well as ITAR and EU-US Privacy Shield registered.
